

# It's time to TOTEM.

Engaging your players has never been so much fun.

DIGITAL GAMING TOTEM

THE

## LEFT, RIGHT, UP, DOWN Totems got you covered.

Unlike standard LCD display, Totem stretched displays offer unique options, from open room signage to new game animation.

Totems add new life to any gaming room.

Each Totem comes with an industrial PC, HDMI Cable and stand or wall mount of your choice.

- Horizontal or Vertical Mounted.
- 1080p Animations or still images.
- Web Based Control via revealConsole.
- pixelBlast™ technology for longer LCD life.
